Hello Everybody,

This letter is to update you on the situation regarding casual play and the use of our green. We have decided that we are now able to allow limited play on the green. The following rules must be observed by all users.

1. Open the green for casual play. All club buildings to remain locked. There will be no access to the garage, changing rooms, or toilets.
2. We will have a booking system for rinks. Starting at 11a.m. playing sessions will last 1hr 30 mins. This will be followed by 30 mins. to allow players to leave and new players to arrive. Last session will start at 7p.m. Please do not arrive too early, allow previous players to leave before entering.
3. Use alternate rinks. Use rinks 1, 3, and 5 on odd numbered dates and 2,4, and 6 on even dates.
4. Maximum of 4 players per rink at any one time, allowing a game of pairs to be played. Social distancing must be observed at all times. A maximum of 10 players will be allowed on the green at any one time.
5. Jacks will be provided, kept in a bowl of disinfectant and returned there after each session. A bowl of water will also be provided. Each 'lead' player should take a jack, rinse in the water and use only that jack, his opposing lead using his own jack.
6. Mats will not be provided, play without or bring your own, maybe a tea towel or something?
7. Some hand sanitizer and wipes will be provided, but bringing your own would be helpful, please take all rubbish home with you. More information on sanitizing is on the gate to the green, please read and follow them.
8. To book a rink ring Geoff Topley on 277 4119 or 07752 849163 between 10.00 and 11.00 am only.  
All players names will be needed.
